

BACCHUS BREAKFAST MENU

Daily from 6am to 10am

By Justin Newbury

Bacchus Restaurant exclusively uses
Sunny Queen Free Range Eggs

“Our girls get more space”

Sunny Queen Chooks get six times more space than the national free range standard. Our free range eggs are laid on farms with a maximum outdoor density of 1500 hens per hectare, which means each chook gets more space outdoors than a king size bed! Maybe that's why they lay such great tasting eggs.

Full Buffet Breakfast 41. Continental Buffet breakfast 29.

Children 0 - 6 Free

Children 7 - 12 years 20.

All items on our menu may vary depending on the seasonal conditions and market availability.
